# Why us?

**Our two highly experienced Obstetricians have both obtained their Advanced Diploma in Obstetrics from the Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG).**

They provide comprehensive maternity care tailored to your individual circumstances and are supportive of minimal intervention. The team has experience with management of labour after previous caesarean (VBAC) and are members of an obstetric unit with low caesarean rates.

We are committed to helping you fulfil a positive birth experience. If complications arise you can be secure in the knowledge that the team understands your history and current situation and will work with you to achieve the best outcome for you and your baby.
